The House
Northampton
June
Dear Sister in-law
Thank you so
much for the dressing
gown. It was just
what I wanted &
have altered & mended
it & it looks so
nice. & am staying
at present with
Paget's House this
week & am having

a lovely time. In
the afternoons I
teach her children
the games I & in
the mornings I
have a class of
grown up, amongst
others Mr Herbert
Gladstone, to whom
I am teaching
dances & songs.
I have my meals
with Lady Muriel

in the dining room,
she is so pretty &
sweet, & her children
are charming.
There are three
footmen to wait at
table, I do feel
swagger, & I have
my breakfast in
bed. Hoping to
see you Thursday
With Love
Flossie
